We receive telegraphic despatches up to 4 p. m. and present them to our readers every evening, emanating news of great interest from all sections of the country. We have made special arrangements whereby we receive regular Petroleum Stock and Produce Market reports every evening by telegraph from New York, Philadelphia and Pittsburgh, which, together with Editorials and Local matter, make it one of the most desirable newspapers published in the Oil Region. As an

Advertising Medium,

The RECORD has no superior, as it circulates where ever an oil operator or dealer can be found.
